

April 1, 2002

Mr. Ricky R. Smith  
AM General Corporation  
13200 McKinley Avenue  
Mishawaka, Indiana 46545

Re: 141-15231-00032  
Fourth Administrative Amendment to  
Part 70 T141-6022-00032

Dear Mr. Smith:

AM General Corporation was issued a permit on February 10, 1999 for a stationary plant for the re-manufacture of 2.5 ton military trucks. A letter requesting a change in responsible official was received on November 27, 2001. Pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows:

A.1 General Information [326 IAC 2-7-4(c)] [326 IAC 2-7-5(15)]

---

The Permittee owns and operates stationary plant for the re-manufacture of 2.5 ton military trucks.

Responsible Official:	<del>Adare Fritz</del> Ricky R. Smith
Source Address:	711 West Chippewa Avenue, South Bend, IN 46614
Mailing Address:	13200 McKinley Highway Avenue, Mishawaka, IN 46545
Phone Number:	(219) 258-3352
SIC Code:	3711
County Location:	St. Joseph
County Status:	Maintenance for Ozone
	Attainment for all other criteria pollutants
Source Status:	Minor Source, under PSD and Emission Offset Rules
	Major Source, Part 70 Permit Program
	Major Source, Section 112 of the Clean Air Act

Mr. Ricky R. Smith, Vice President of Operations was named as the Responsible Official, replacing Adare Fritz, who retired. Mr Smith meets the requirements of 326 IAC 2-7-1(34)(A)(iv).

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

AM General Corporation  
South Bend, IN 46614

## SECTION A

## SOURCE SUMMARY

This permit is based on information requested by the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ). The information describing the source contained in conditions A.1 through A.3 is descriptive information and does not constitute enforceable conditions. However, the Permittee should be aware that a physical change or a change in the method of operation that may render this descriptive information obsolete or inaccurate may trigger requirements for the Permittee to obtain additional permits or seek modification of this permit pursuant to 326 IAC 2, or change other applicable requirements presented in the permit application.

### A.1 General Information [326 IAC 2-7-4(c)] [326 IAC 2-7-5(15)]
